**As the garden owner I \_\_\_\_\_ agree to:**

let the gardener have the freedom to garden away happily within the allotted space.

allow the gardener access to the garden plot within specified times as agreed beforehand.

try to give as large amount a notice period (pref. 6 months) as I can to the gardener concerning any change of circumstances that might affect their gardening of the patch.

Signed: \_\_\_\_\_ Date: \_\_\_\_\_

**As gardener I \_\_\_\_\_ agree to:**

get my garden share plot into production as soon as possible in 20\_\_ and take care of it.

to share a part of the harvest of the garden as agreed with the garden owner beforehand.

to garden within the times and boundaries agreed with the owner.

to take responsibility for any key / security arrangements that have been decided between us beforehand.

to take out appropriate public liability insurance on the site in case of my injury and to garden with due care for my own safety, and that of others, leaving the patch safe and tidy for the garden owner.

if it becomes difficult or impossible for me to continue gardening my patch, I will let the garden owner and the project know of my feelings as soon as possible, so that the plot is not left neglected or unused.
